EVENT GUIDELINES

Confirmation

To confirm your reservation, please sign and return this contract no later than 60 days prior to your event. Please be advised that if we do not receive a signed copy of this contract, starting times will be released.

Guarantees

You will need to guarantee Arcadia Bluffs Golf Club a specific number of players, in writing, no later than 30 days prior to the date of the event. If a guarantee is not received by that time, Arcadia Bluffs will assume the original quoted number of players on this contract to be the guarantee and you will be billed for that number of players.

Cancellation Clauses

1. If the event is cancelled by the sponsoring organization within 30 days of the scheduled date, the group is required to pay Arcadia Bluffs 50% per scheduled player in addition to the 25% deposit submitted with the signed contract. The group will be billed for the number of players guaranteed on this contract, unless players are cancelled outside of 30 days prior to the first tee time scheduled.
2. If the event is cancelled by Arcadia Bluffs prior to the day of the event, the 25% deposit will be returned to the sponsoring organization within ten days. Only in this event is the 25% deposit returned.
3. In the case of inclement weather, the professional staff including the Golf Professional and Superintendent will make the final decision regarding suspension or cancellation of the event due to inclement weather. If play is cancelled prior to the completion of 18 holes, the organization will receive a rain check refund for the number of holes not completed for each player. All food and beverage charges will still apply. Inclement weather does not in itself cancel the event. If no golf is played, all golf costs will be refunded except for the 25% deposit.

Arcadia Bluffs is located in northwest lower Michigan, and sits atop a bluff overlooking Lake Michigan. Because of this location, the weather can and does change very quickly with the lake influencing much of these changes. Based on this, we encourage our guests to be fully prepared for any and all weather conditions during their visit because the chances are good they will be exposed to them all. In other words, playing through inclement weather is part of golf in northwest Michigan, and is certainly part of golf at Arcadia Bluffs. As quickly as the weather can turn bad, it can blow through and conditions can quickly turn very good. The golf shop is equipped with the DTN Weather Satellite system and the accompanying Thorguard Lightning Detection System that allows us to be updated to the minute on changing conditions. These systems ensure that our guests will never be exposed to a dangerous weather situation.

4. Events requesting a "Shotgun" format must have a minimum of 100 players and a 9:00 AM start time.

5. All cancellations must be submitted in writing.
